wdpa.org

iabin.org

arcus.org

global-islands.org

ppe.org

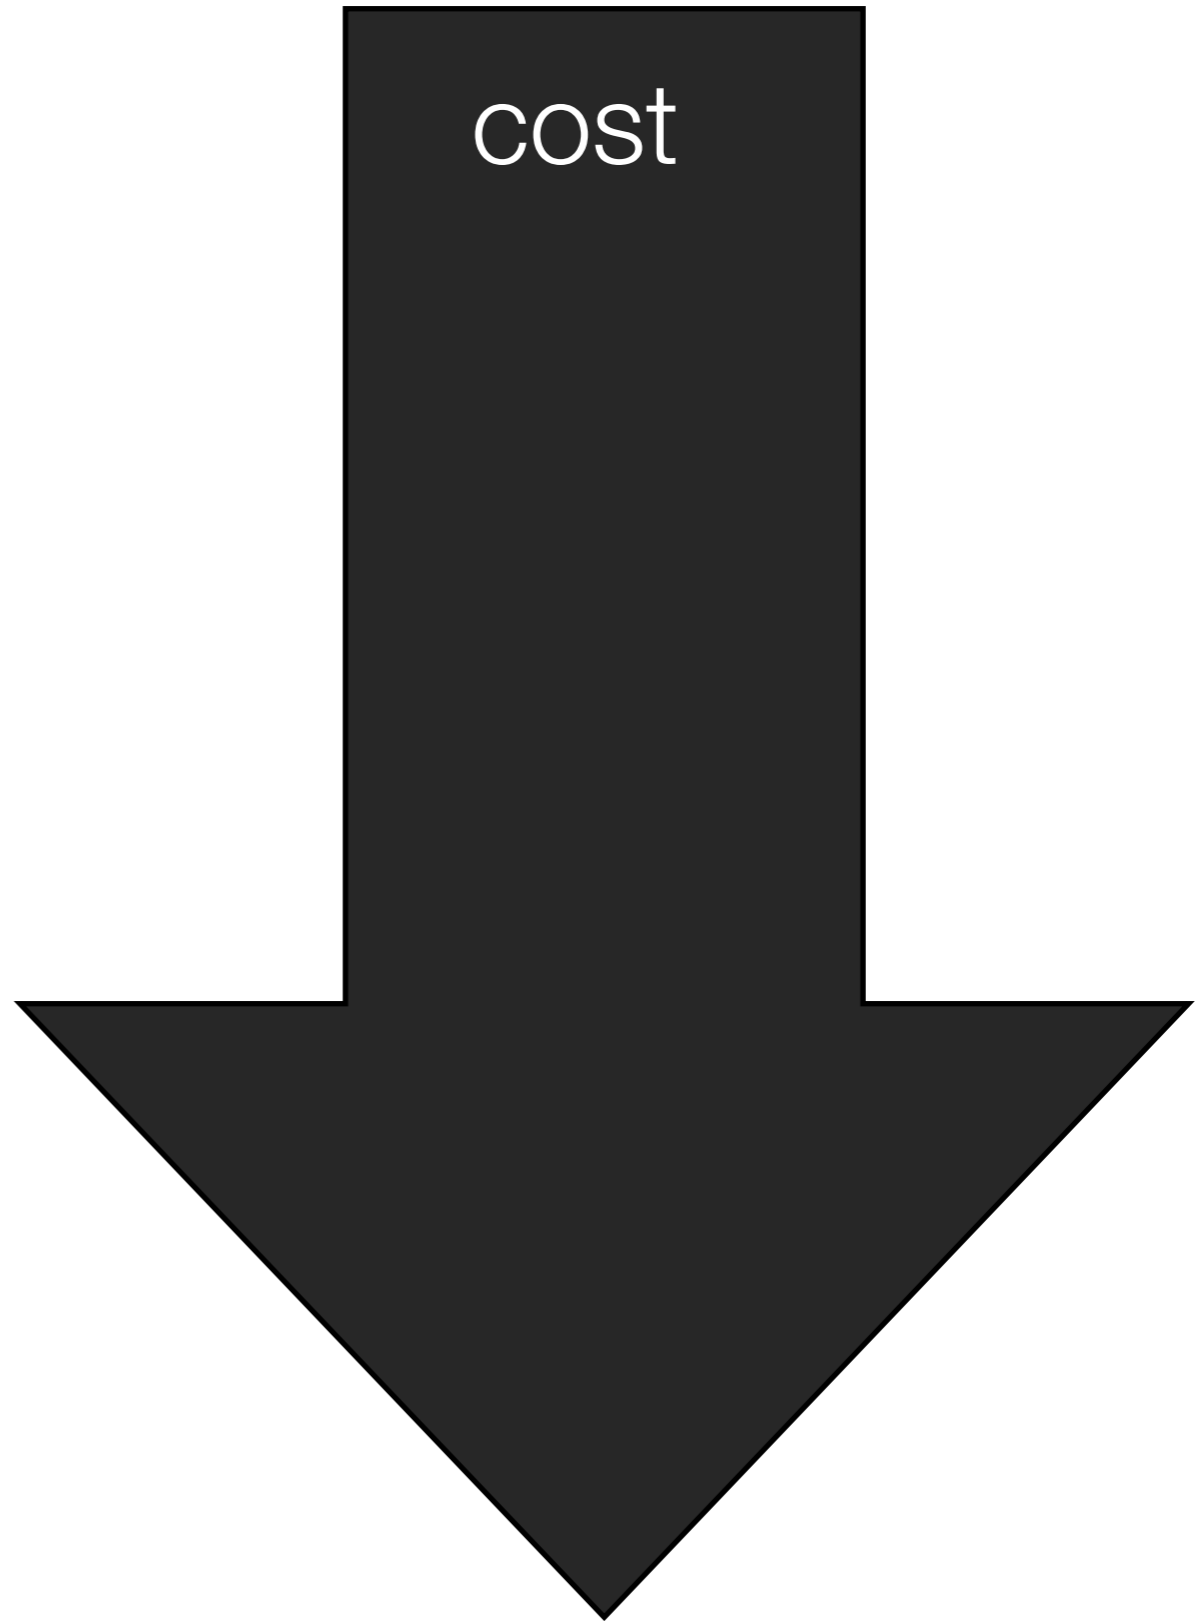

how does Protect Planet Earth AND the UN list fit
with this

conceptual split

split apart the WDPA

Start with the sourcing of data

Main target:

by 1/10

to achieve this we need to move the emphasis away from us 'collecting' to...

receiving

Protect Planet Earth is the initiative to turn providers to partners

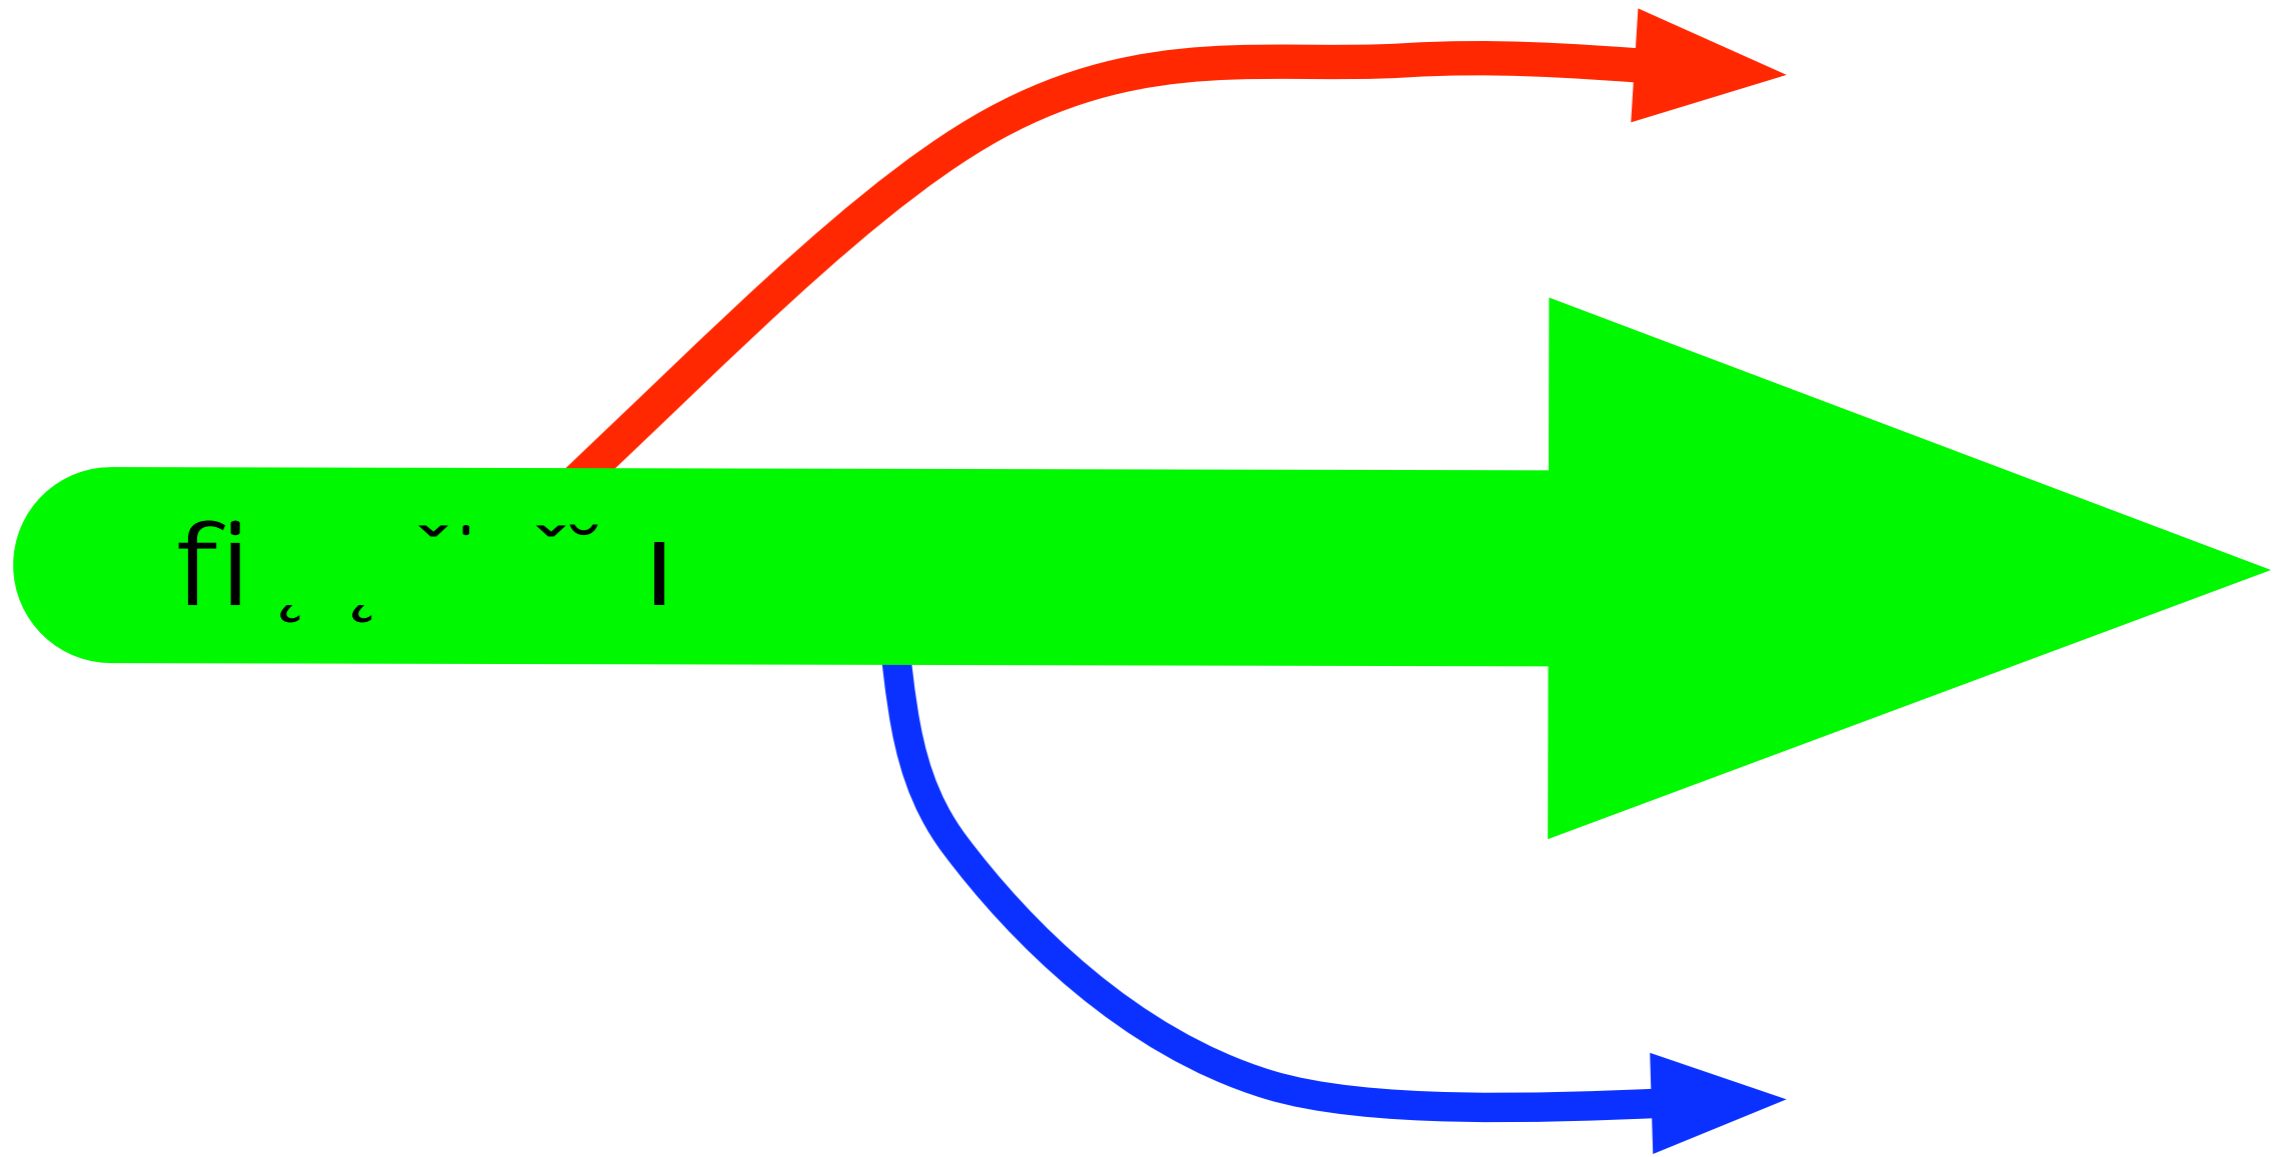

what will it look like?

A website and a programming interface

The website allows users to

add their own data without necessarily involving
UNEP-WCMC staff

ł fiž Łł " °

now

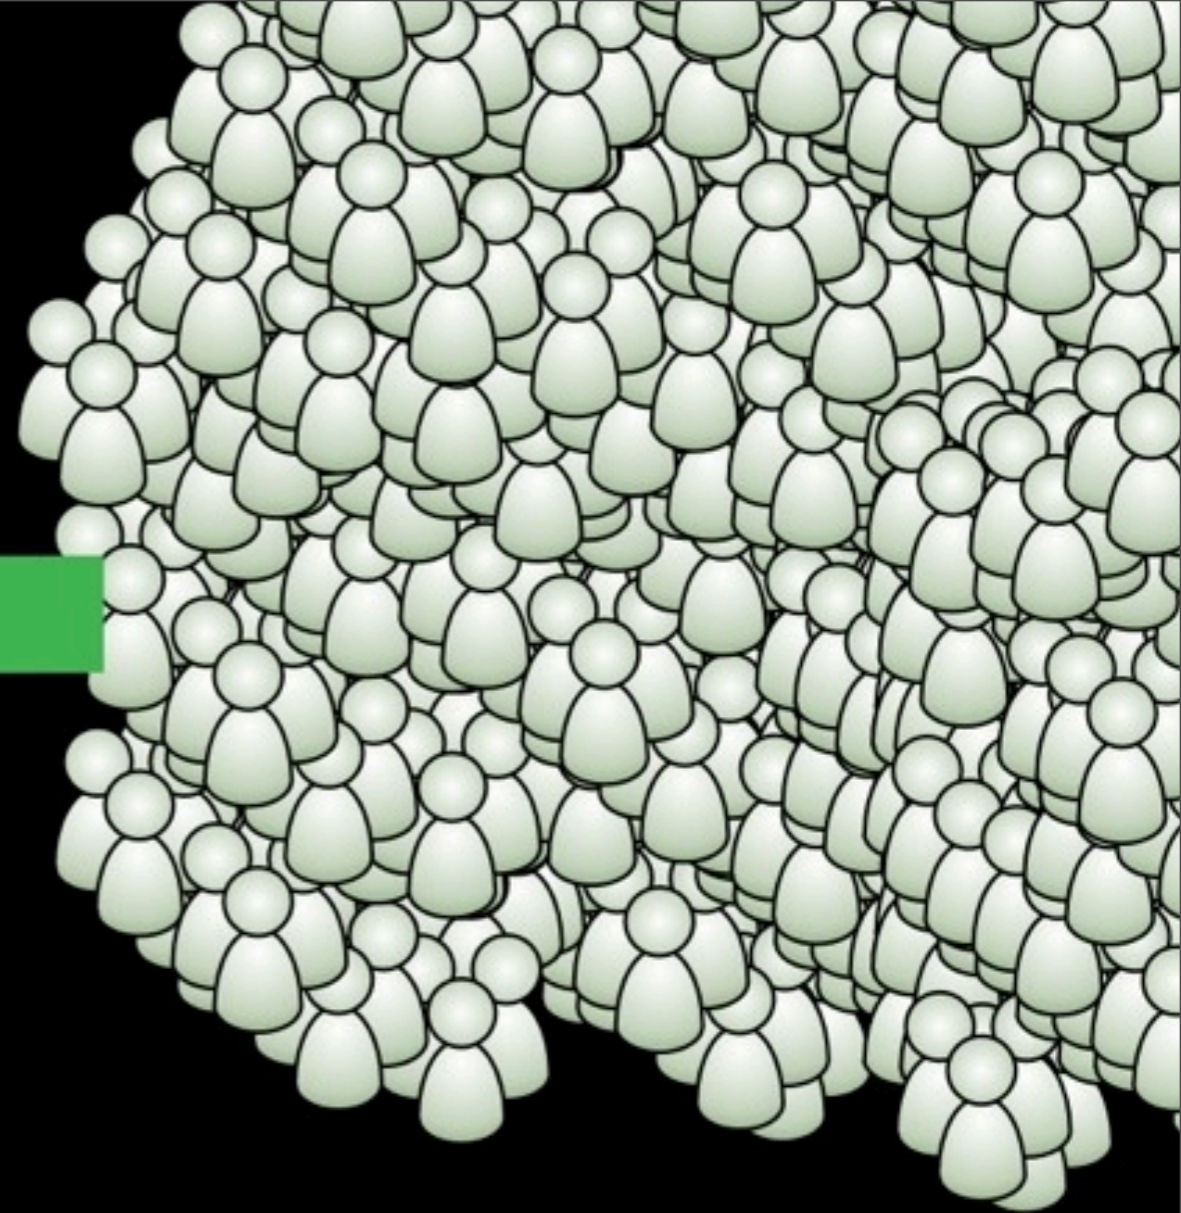

Data Providers

future

WDPA

Data Providers

better future

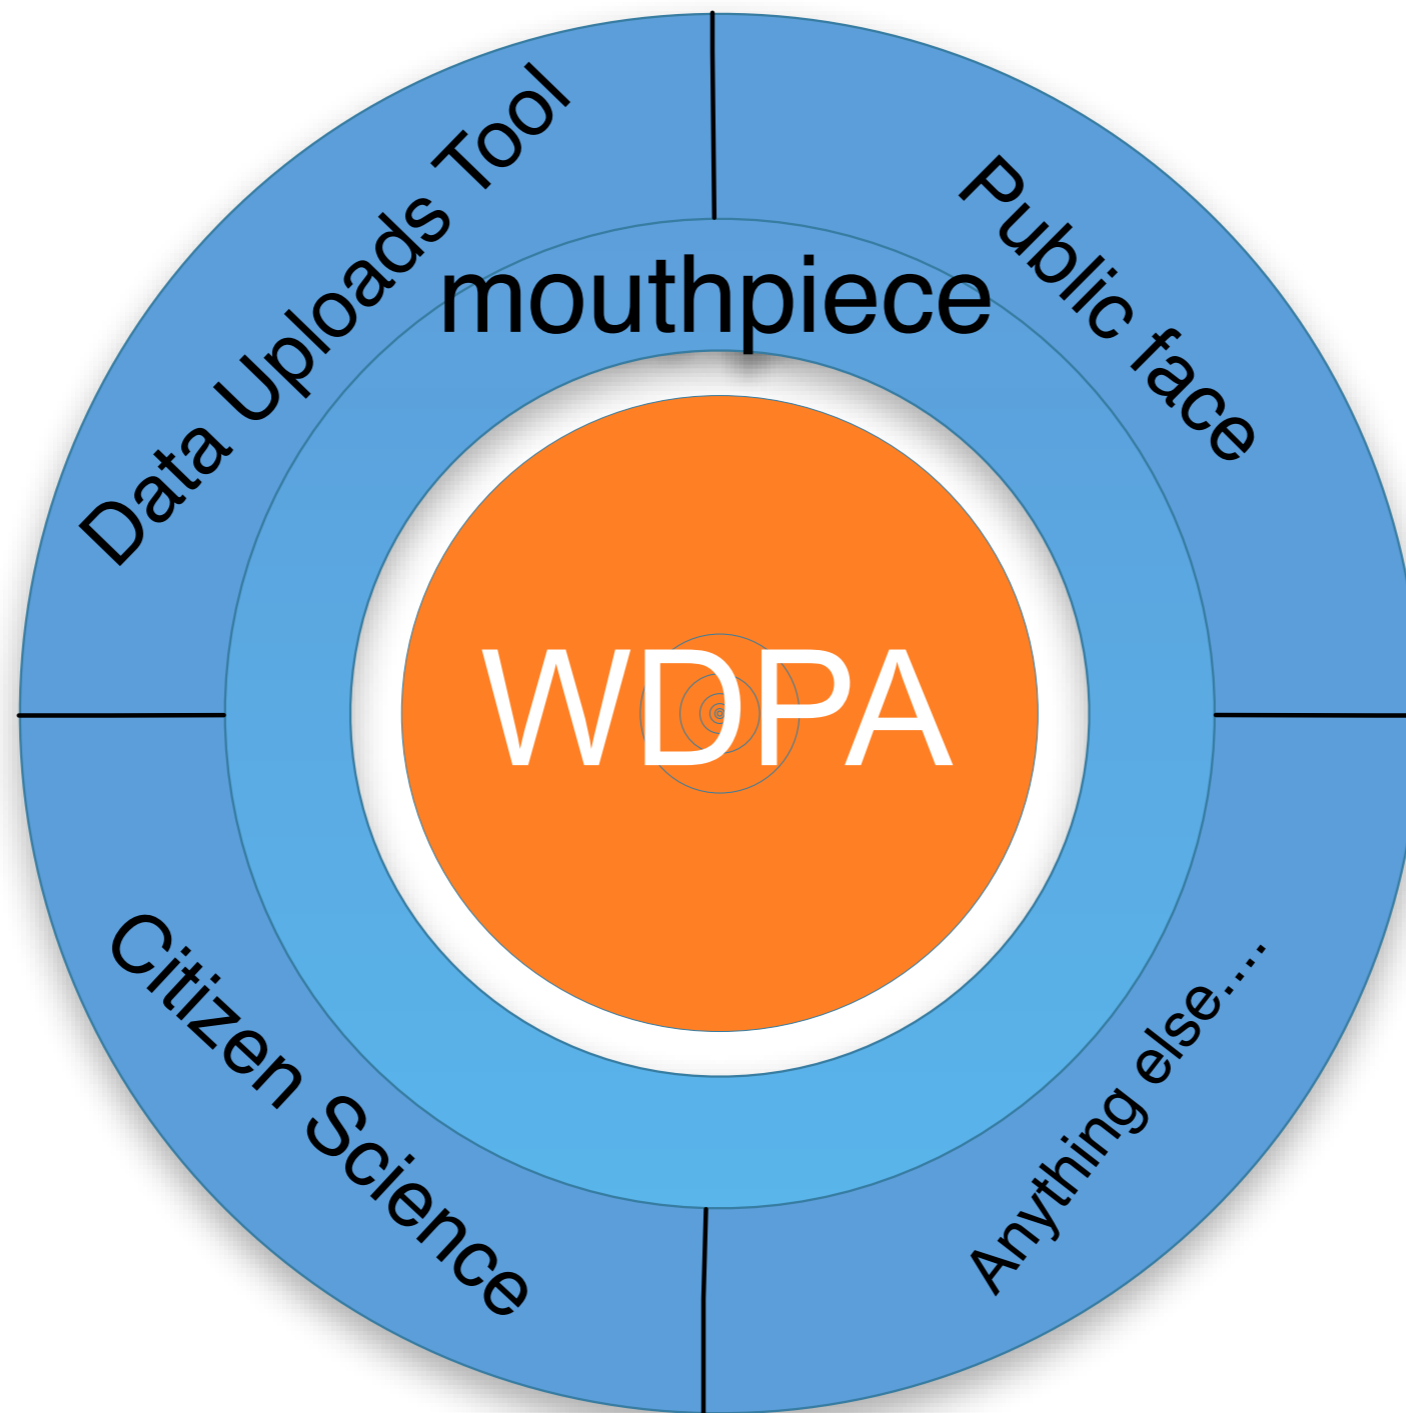

reducing the overhead

United Nations List of Protected Areas?....

the name we give to the initiative *and* the output of
'official' data collection

what's the WDPA?

its the name of the DATABASE storing the PA data
from around the World

How do the pieces fit
together?

WDPA is the database

Protect Planet Earth is the initiative to get active participation

UN list is the official data

the timings...

Protect Planet Earth website and tools

Launch in April (Marine) and May (All parts)

We really need your help here! Play our quiz and help us!

Help this PA! x

Hey!, Have you ever been in this Protected Area?

Yes I have! No I haven't x

Do you have a description for this Protected Area?

Unfortunately, we don't have a description for this Protected Area.

If you want to share with us a good description about the protected area, you should do that at wikipedia. It would be pretty great for all.

Share a description

Protected Area data

75% COMPLETED

AREA
327,538.1825155 acres (1,325.5 km²)

STATUS

ESTABLISHED
January 01, 1977 00:00

MANAGEMENT ORGANIZATION
National Park Service (since 1989)
