

PROTEUS ANNUAL MEETING

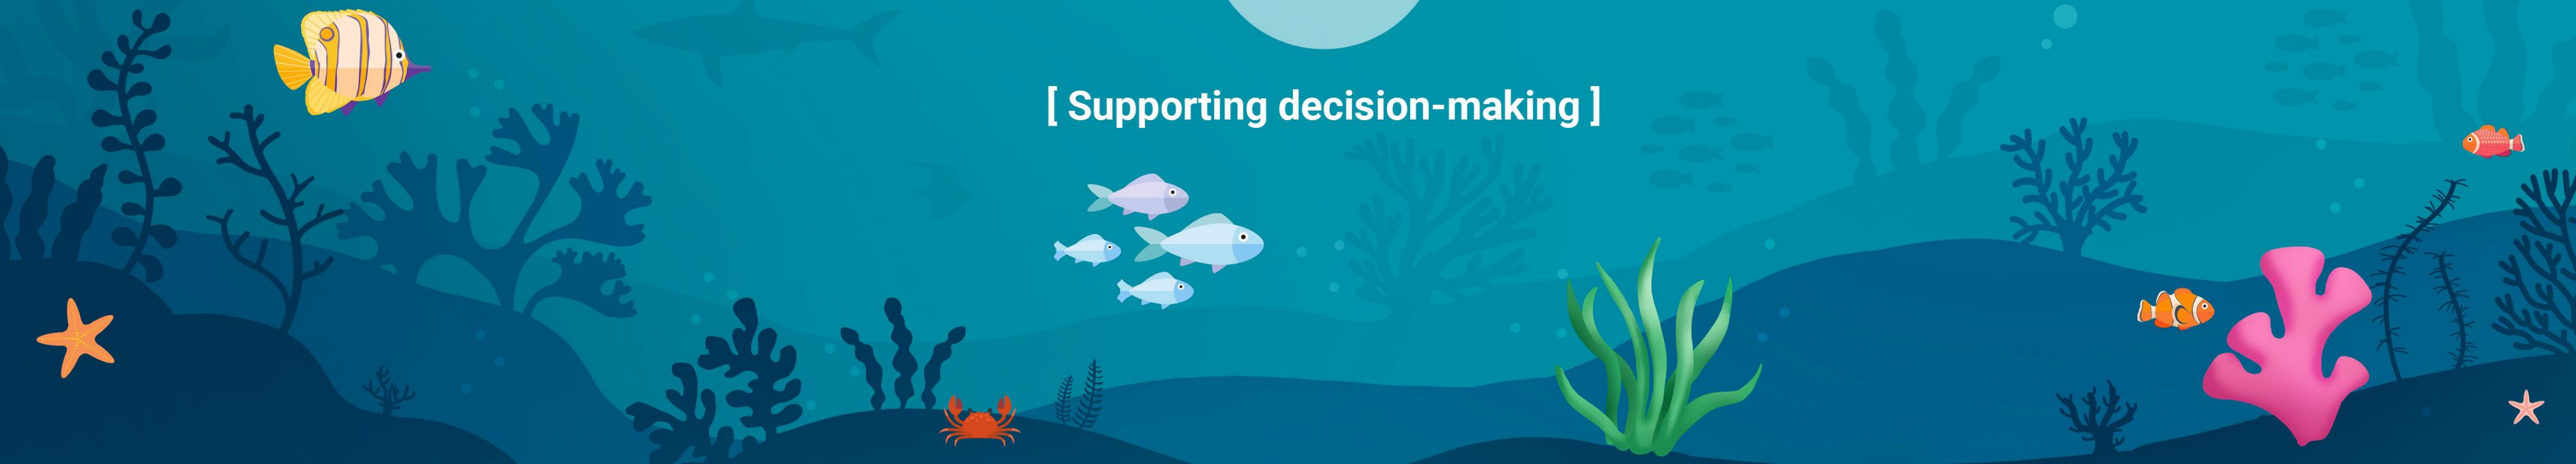

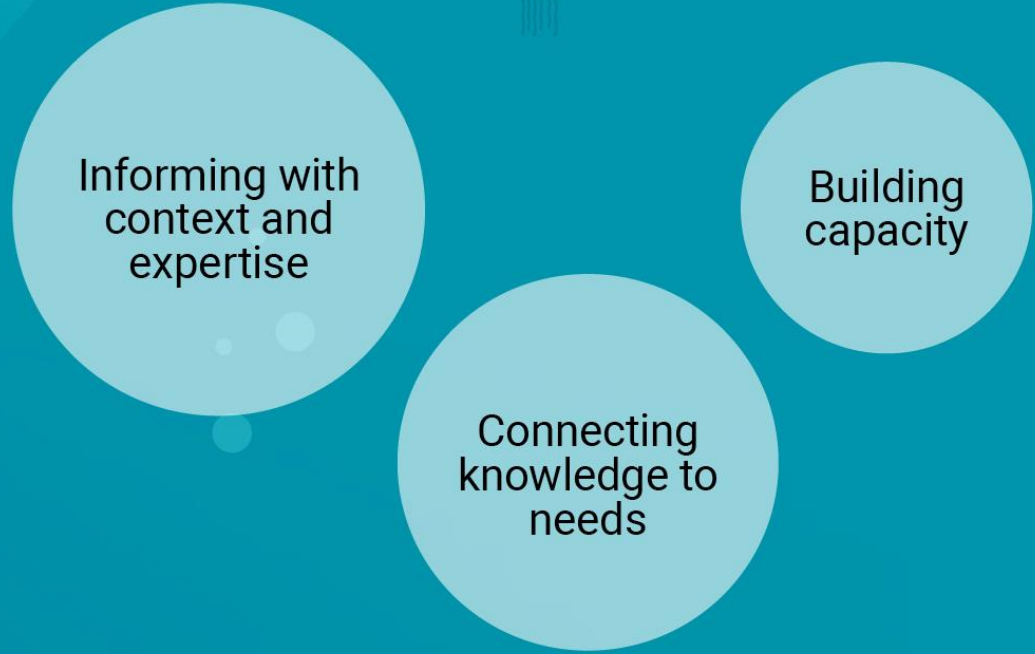

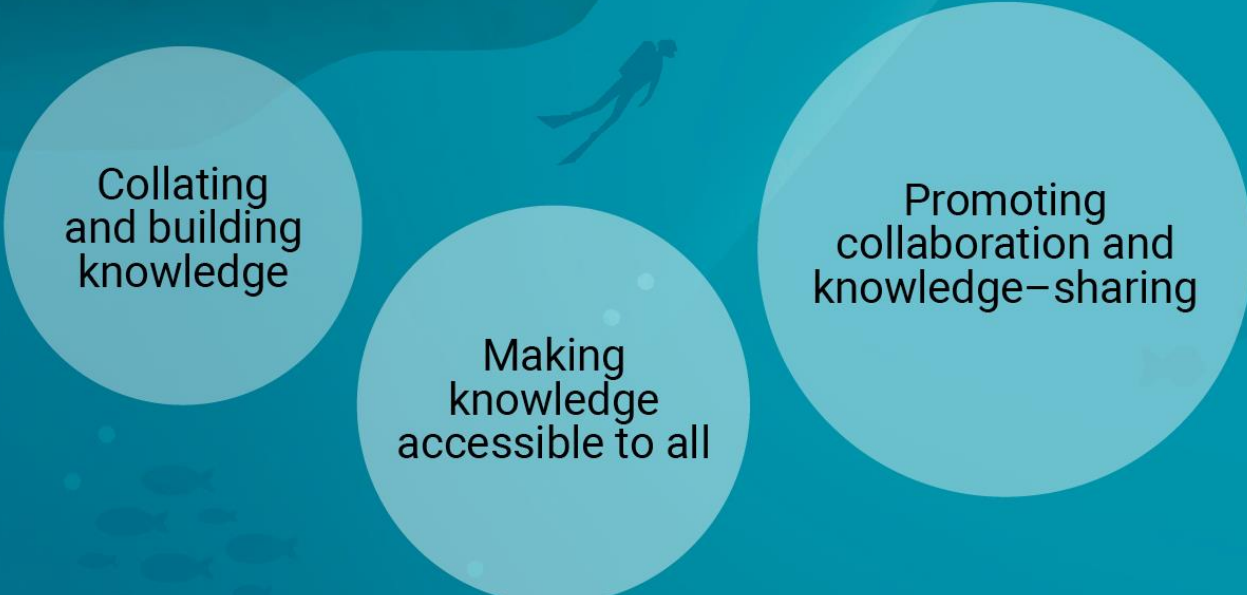

13th – 14th June 2019, David Attenborough Building, Cambridge, UK

TRANSITIONING TO A HEALTHY OCEAN

Chris McOwen @chrismcown

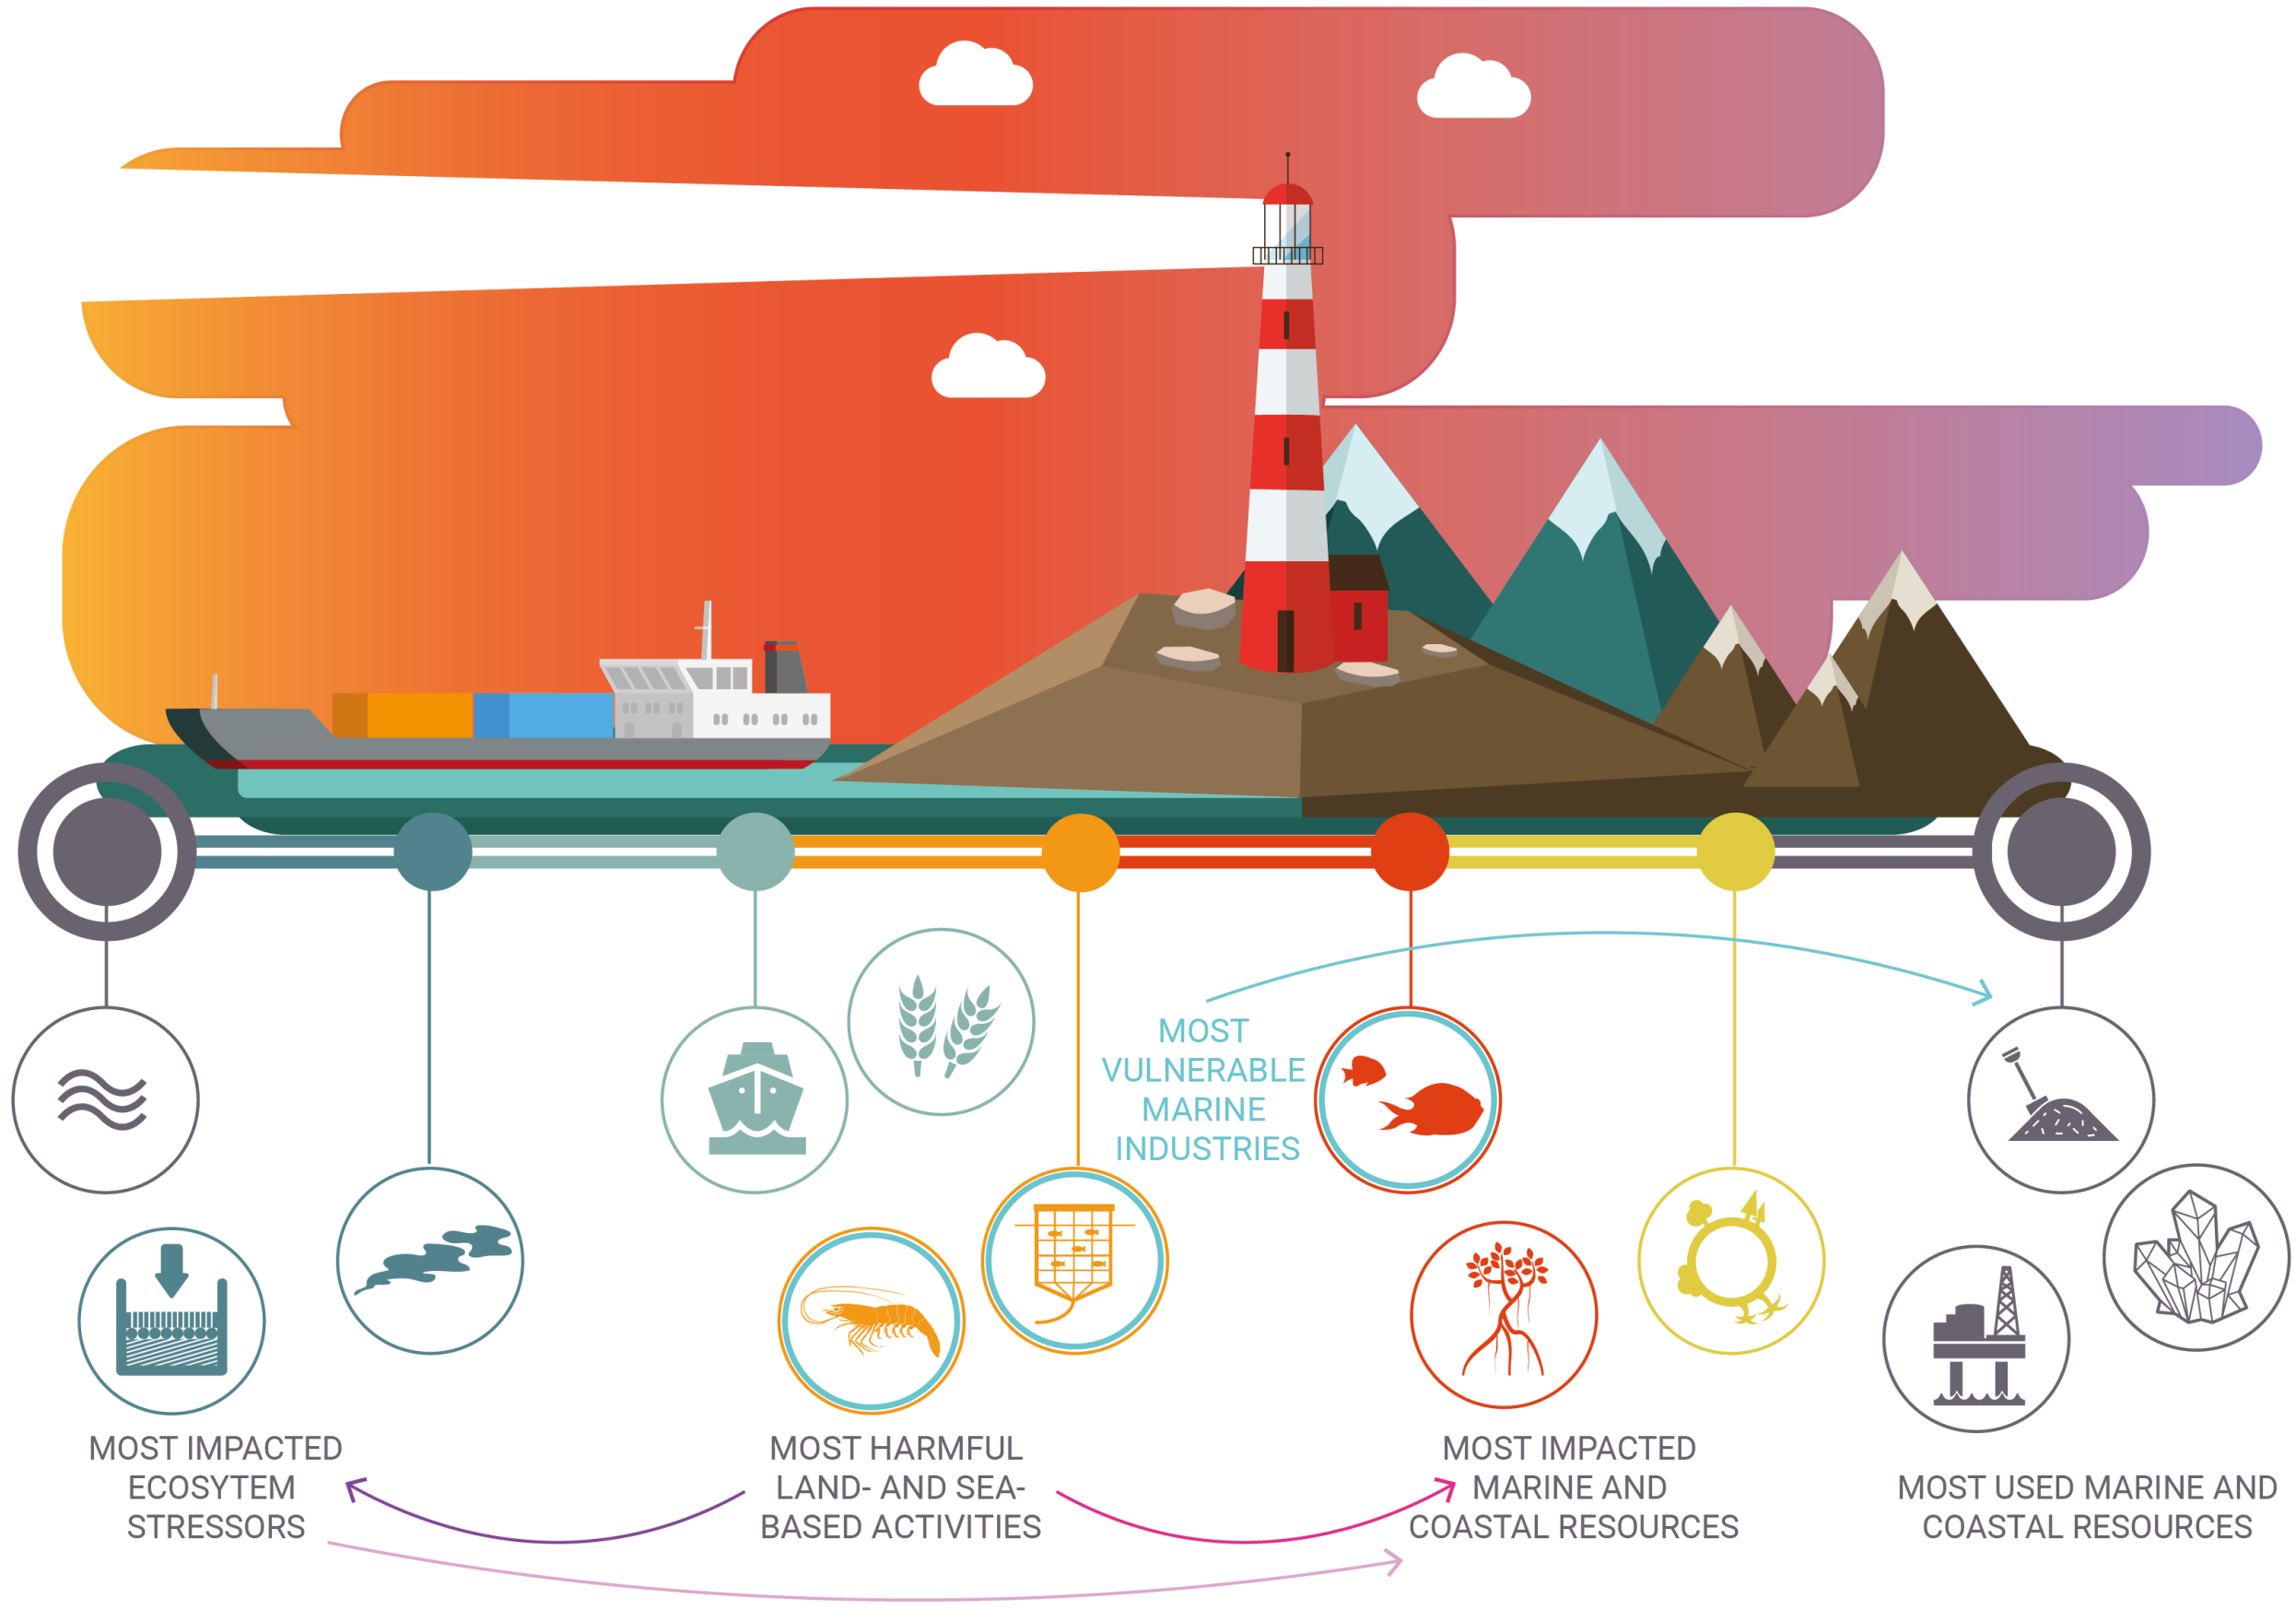

A healthy, vibrant and diverse ocean and society living together in harmony

Building a evidence base:

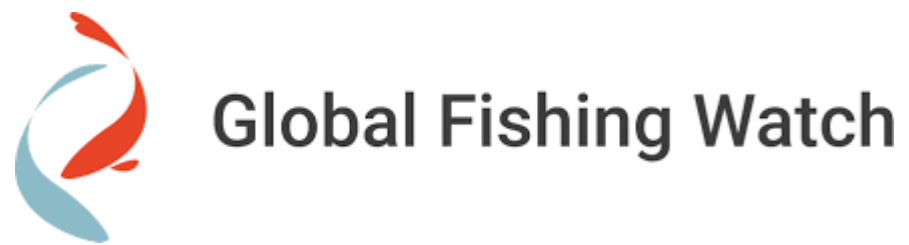

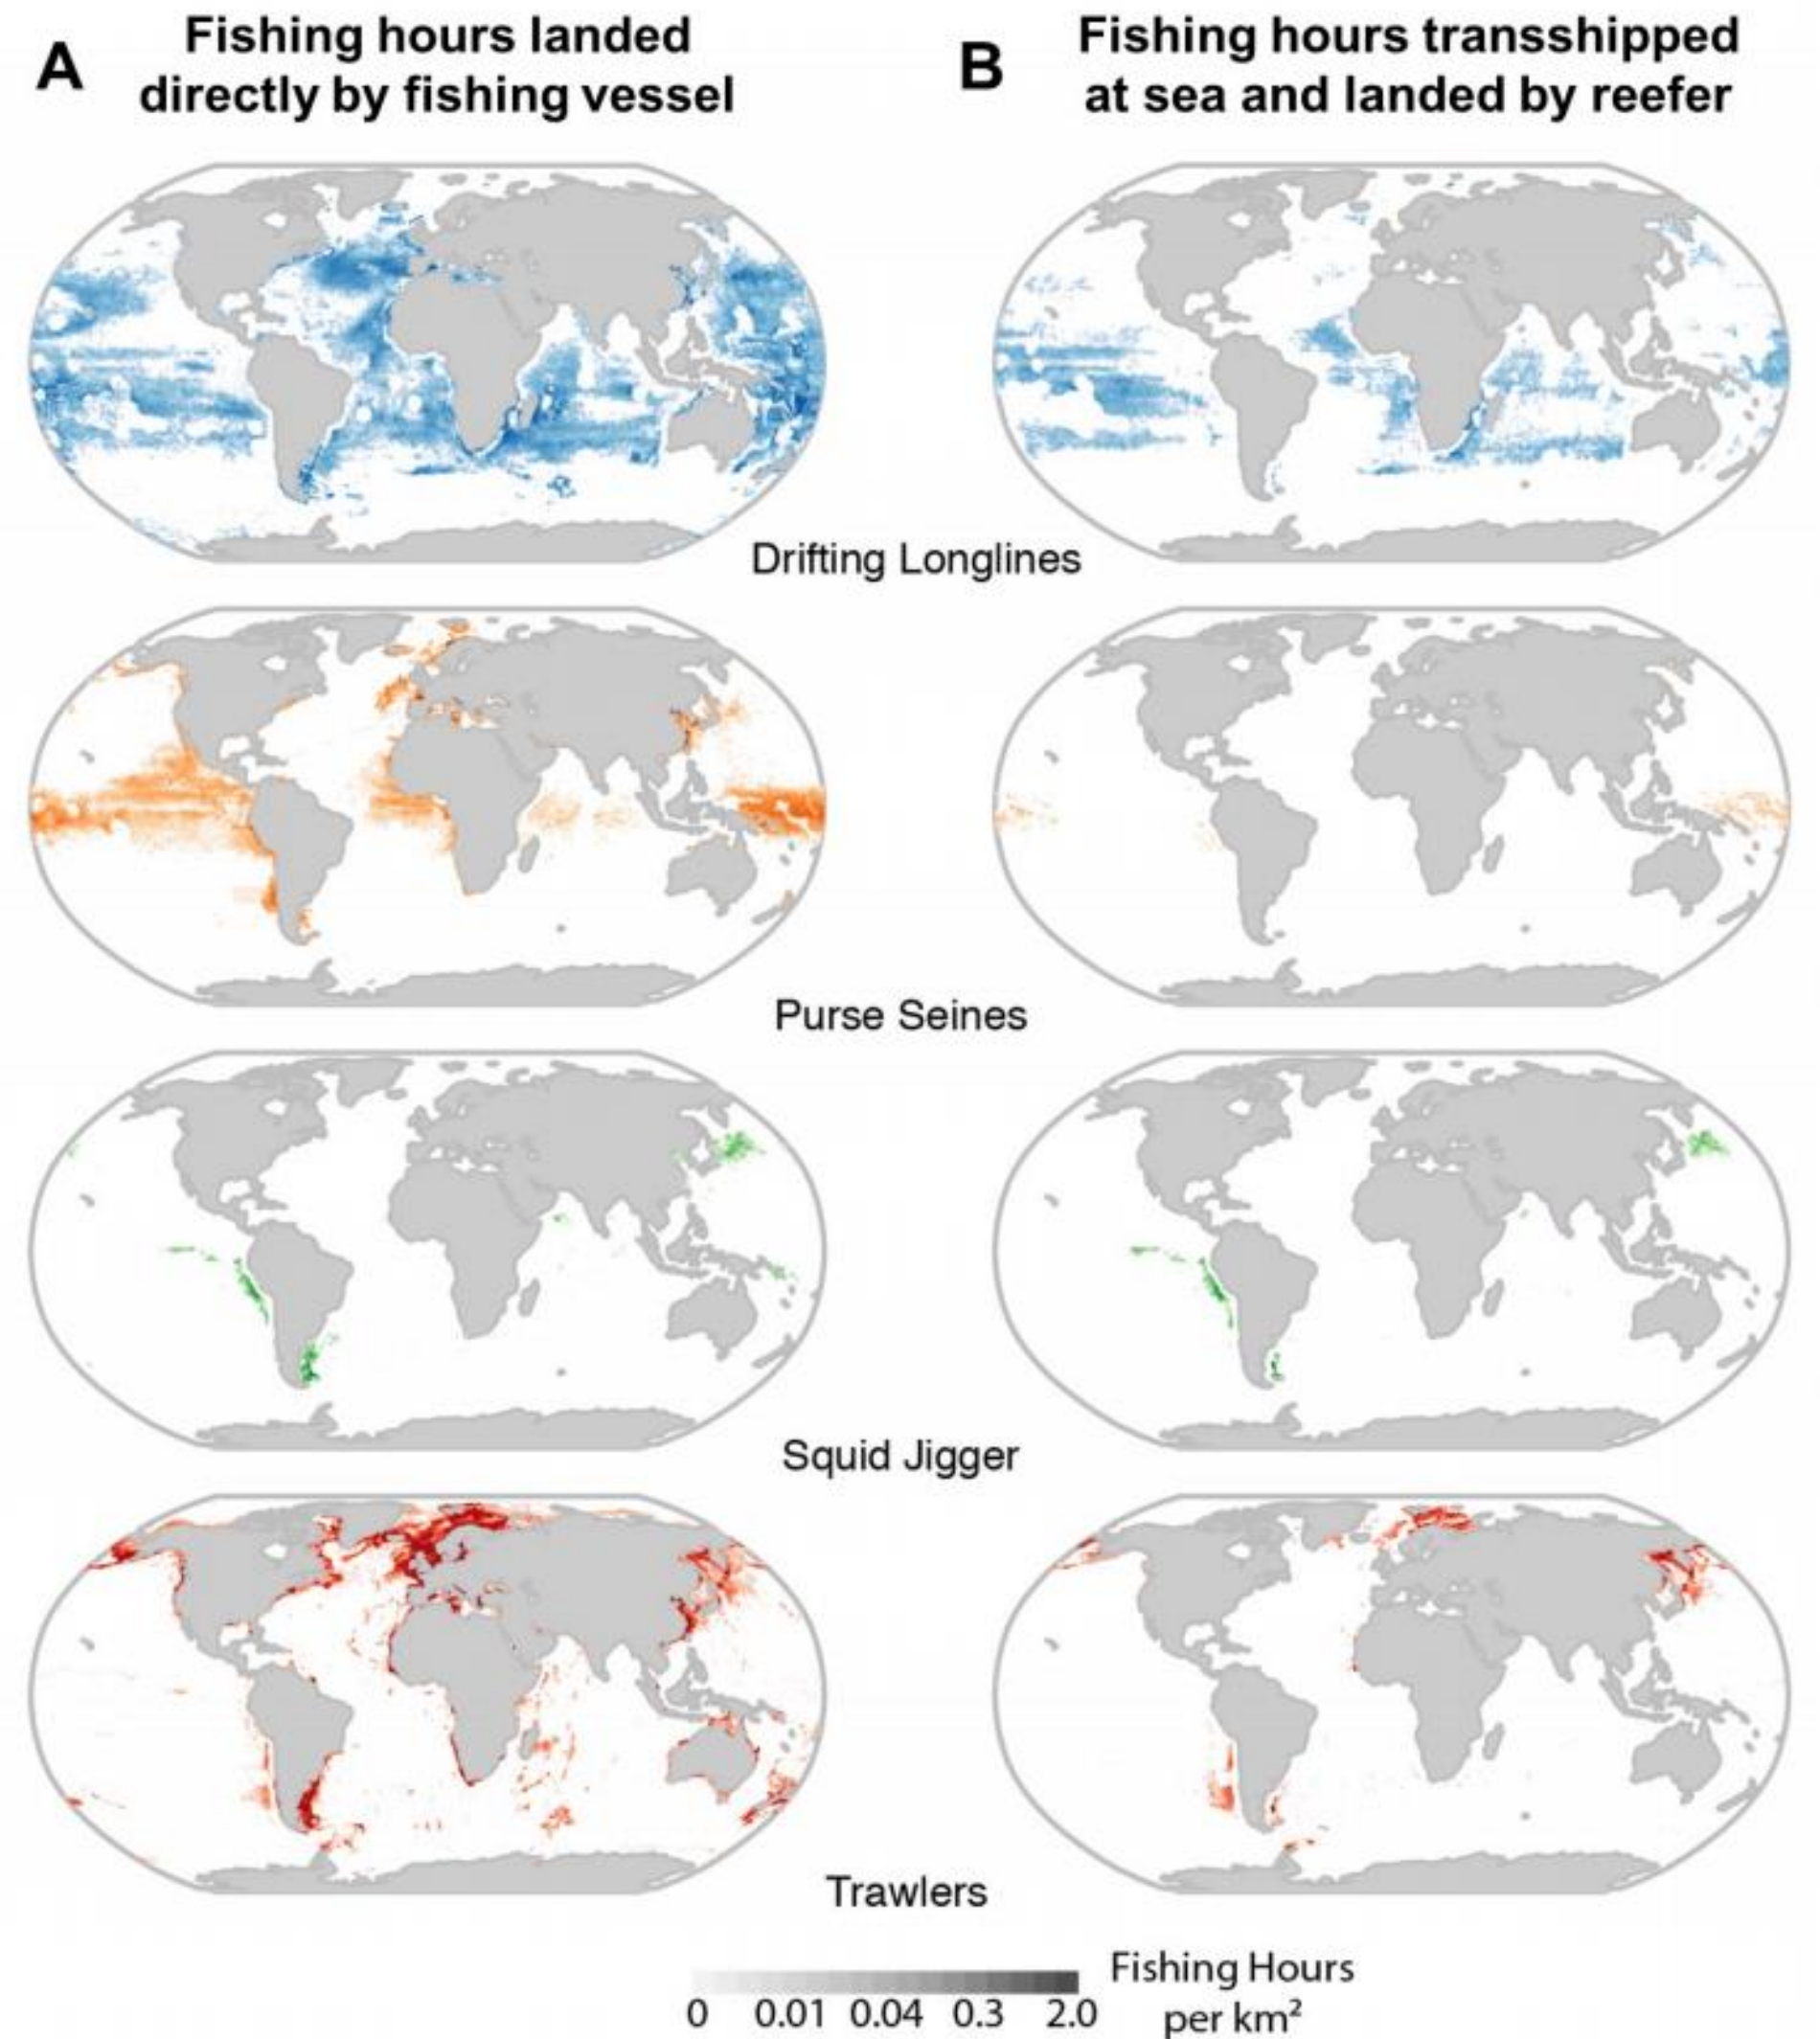

AT THE INTERFACE BETWEEN LAND AND SEA

How does the action (or inaction) of a industry impact itself and those surrounding it?

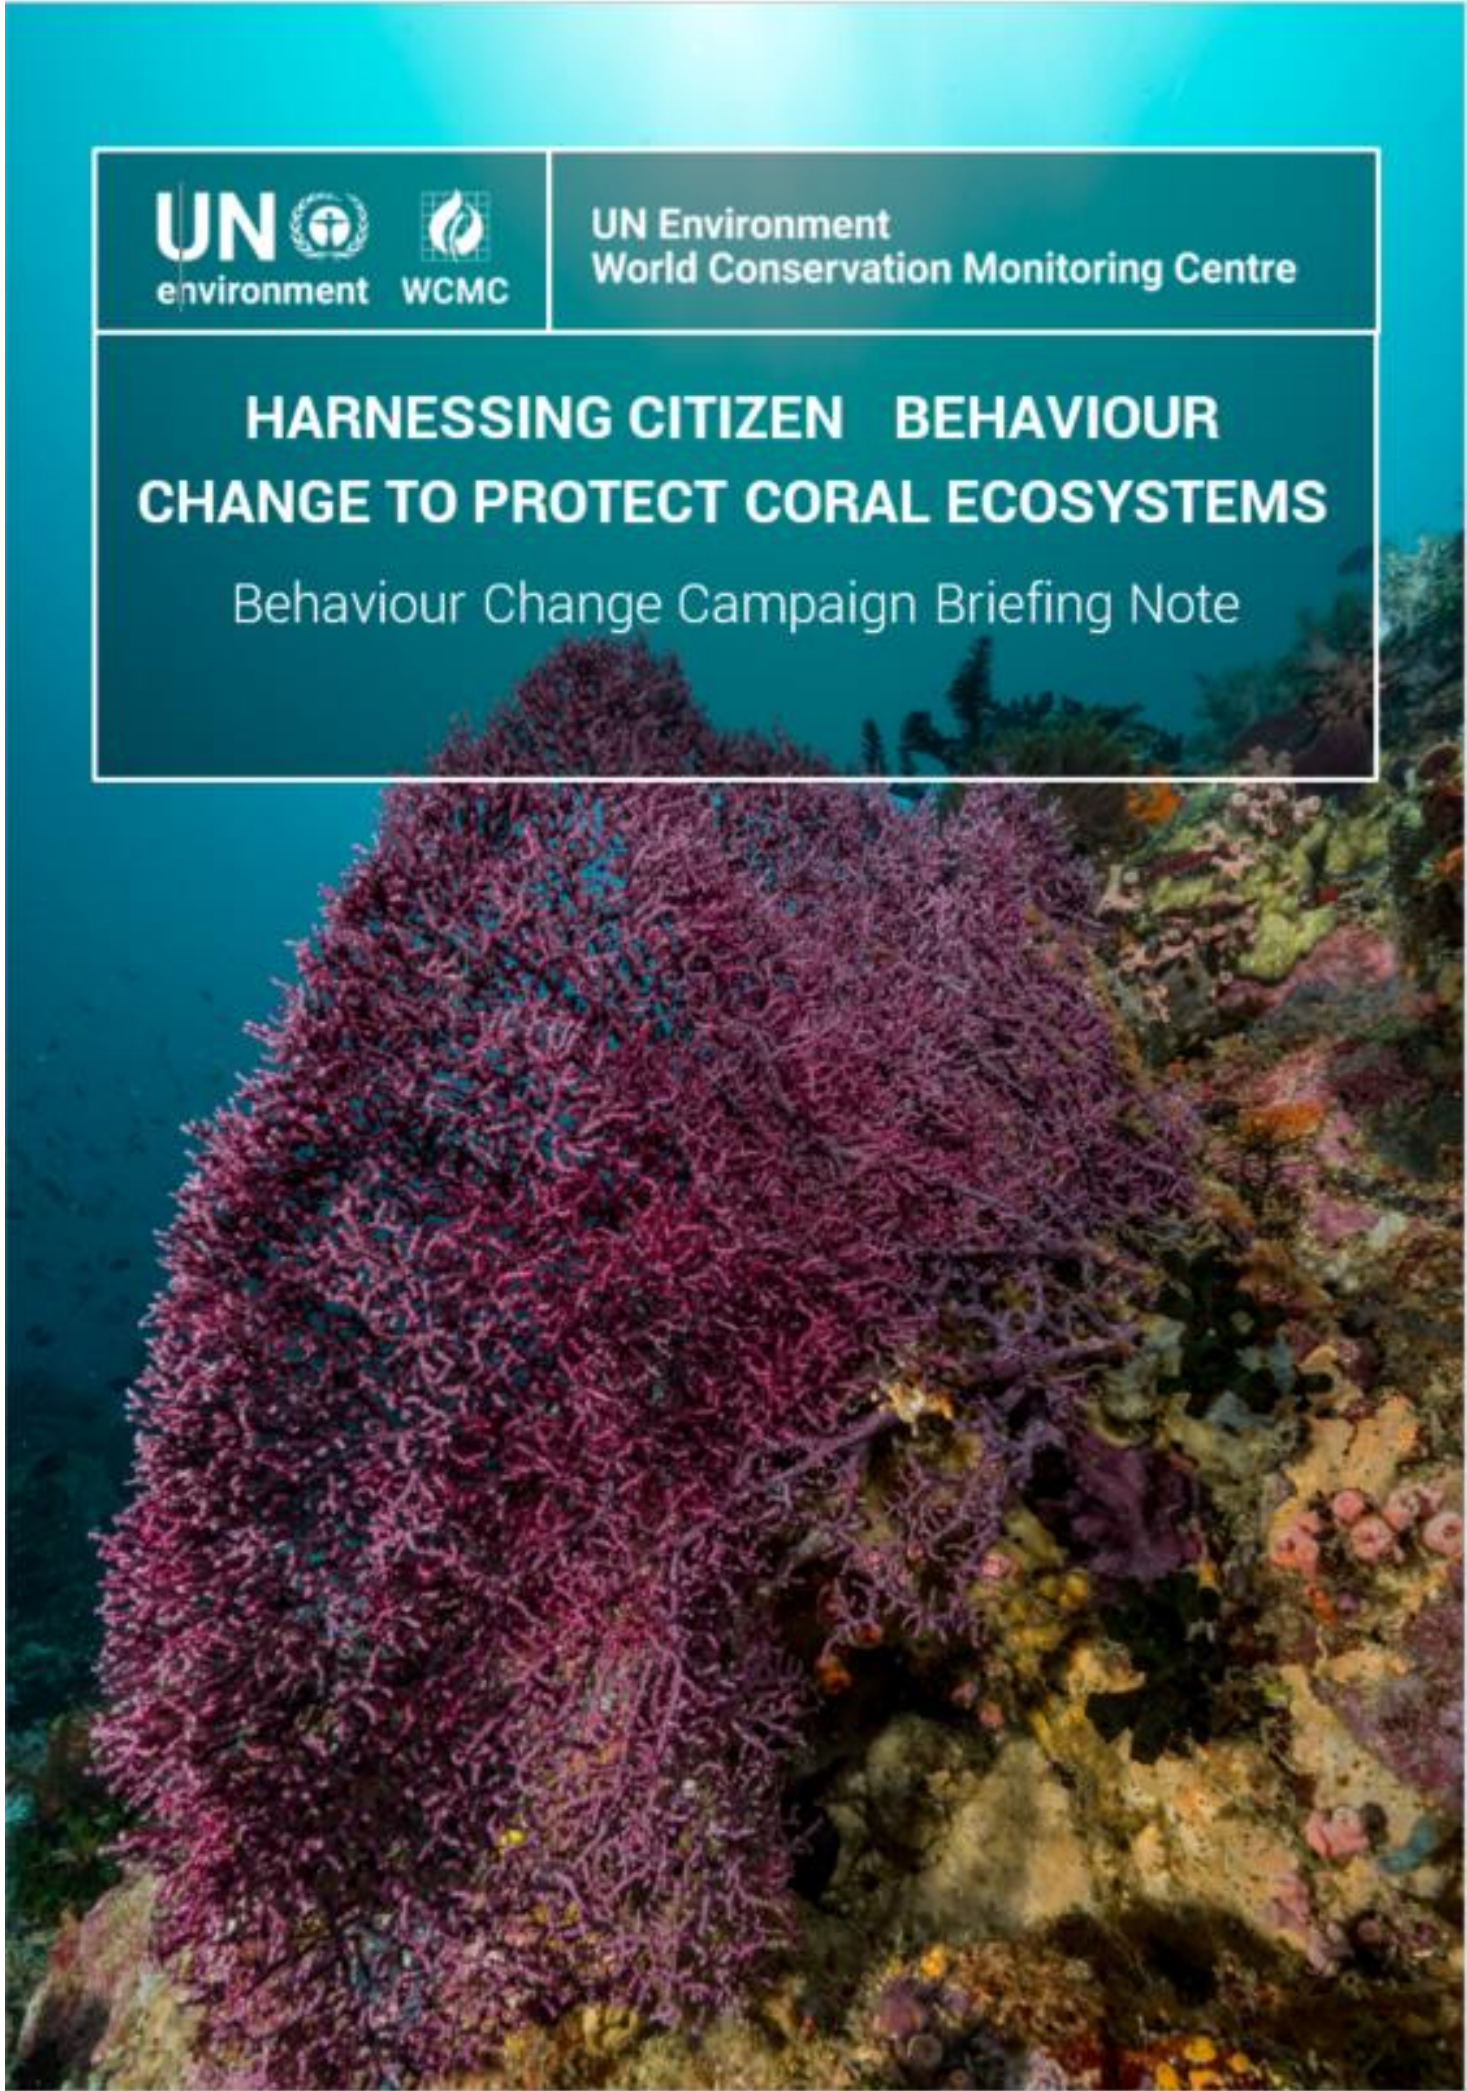

Informing decisions:

Mapping global fishing effort and distribution from space to aid spatial management

Stimulating change:

Changing diver behaviour to conserve coral reefs

#WeCanMakeChange
