

PROTEUS ANNUAL MEETING

13th – 14th June 2019, David Attenborough Building, Cambridge, UK

STRENGTHENING NATURAL CAPITAL IN PRIVATE SECTOR DECISION-MAKING

Annelisa Grigg @annelisag

Strengthening natural capital in private sector decision-making

Why?

Demonstrate and strengthen the business case for safeguarding nature

How?

Provide data and tools to integrate nature in business actions

Capacity building

Focusing on the right sectors to achieve change

- Energy and extractives
- Finance
- Infrastructure
- Agriculture and commodities

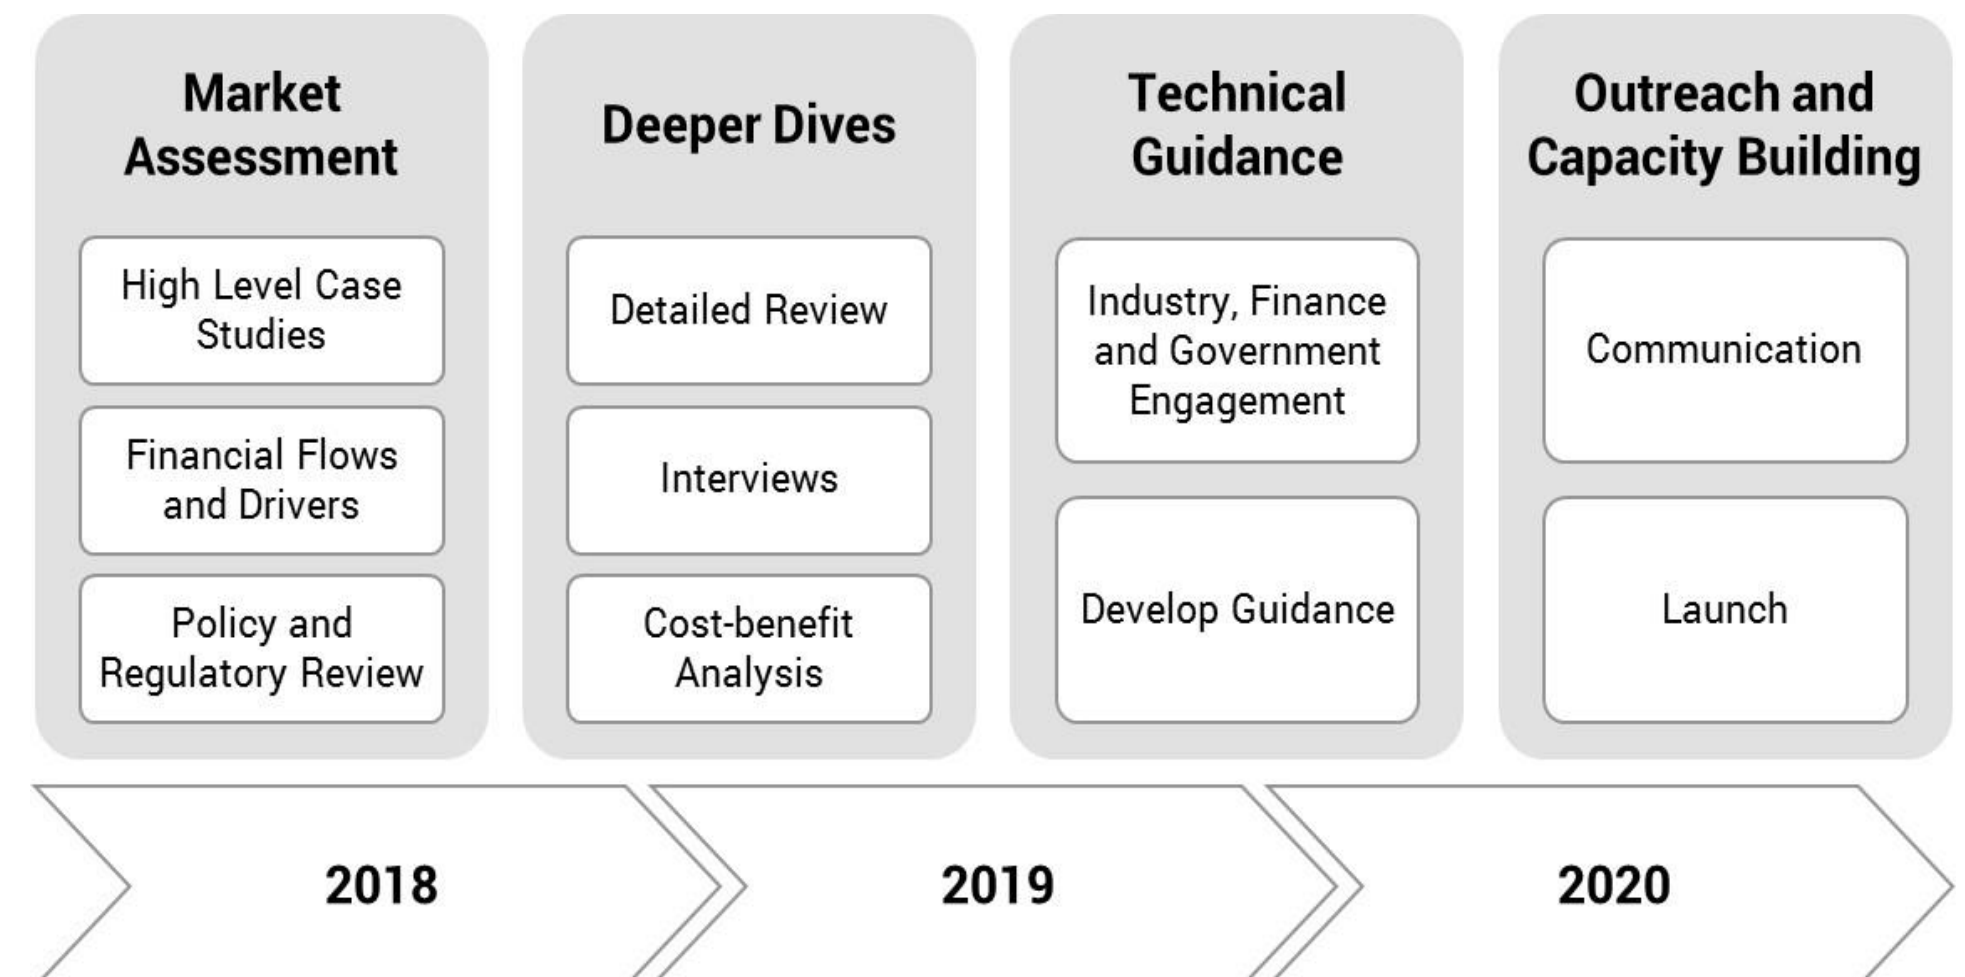

Nature-based solutions for infrastructure

Collaboration between UN Environment, Inter-American Development Bank, Acclimatise and UNEP-WCMC

Barriers and enablers to private sector use in Latin America and the Caribbean

- Financial
- Policy and Legislation
- Technical

Next Step: 'Deeper Dives'

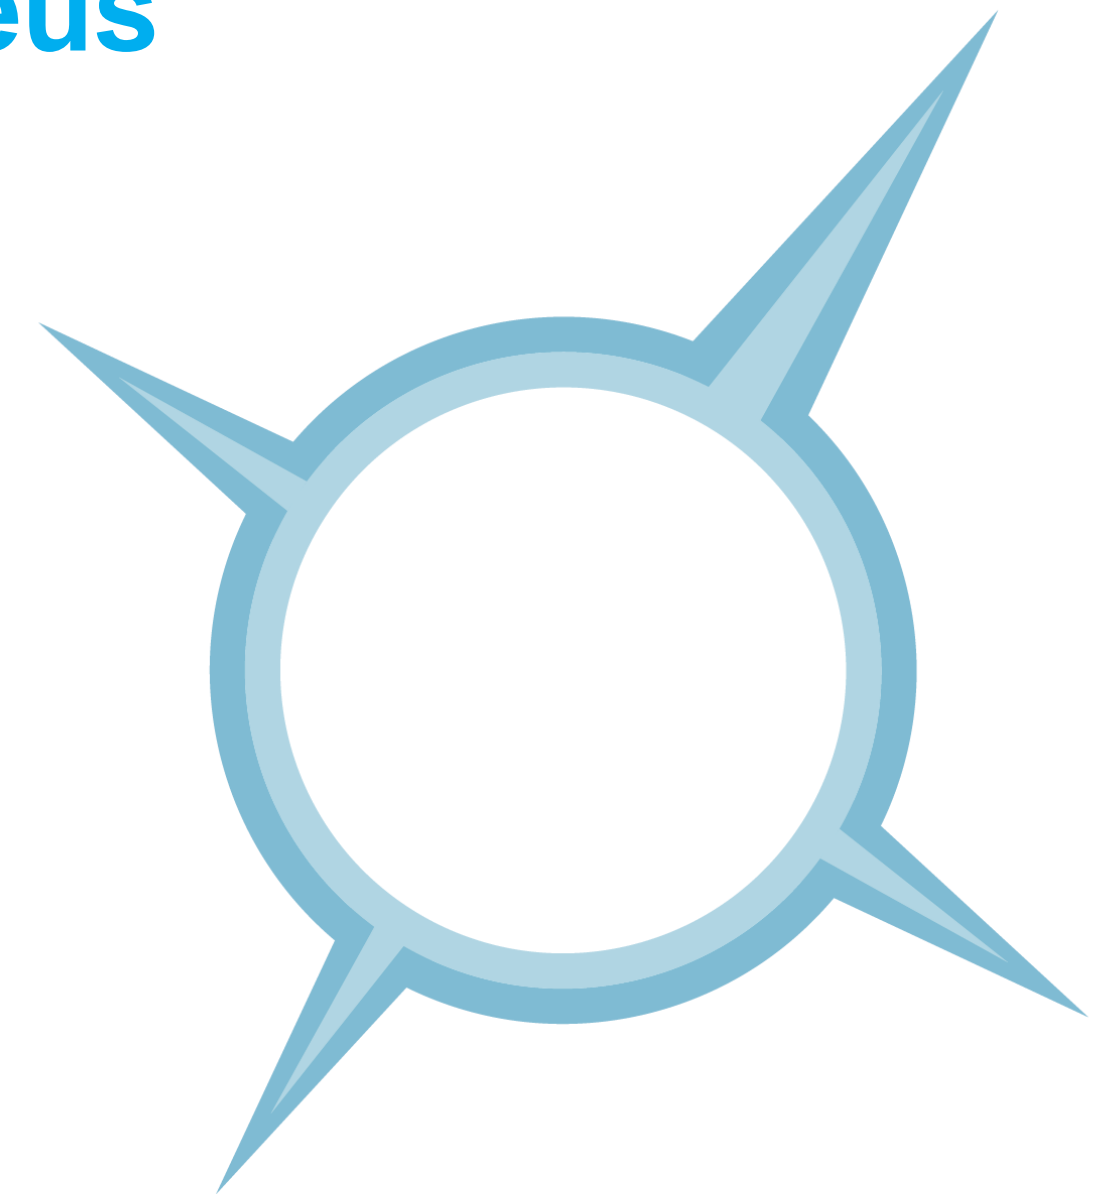

QUESTIONS

Katie Leach

Questions and Discussion

- **What would Proteus members like to hear more about?**
- **How could we better communicate with Proteus about the wider work of the Centre?**
