

# Training on tools

Proteus annual meeting, Stavanger 16<sup>th</sup> June

# Training for Proteus partners

- Focus: specific tools, protected areas and sensitive sites or on specific topics related to biodiversity trends
- Format: WebEx, face-to-face presentations, lab
- Materials: presentations, factsheets and live tutorials

# Feedback and suggestions

A view from the partners:

- How useful these sessions have been?
- Are there any changes to make or different sessions we could run?
- Would you welcome any specific training materials?
- Would other audiences be interested?
